## 1. When and where is the event taking place?

The festival will be held on Saturday, October 19, 2024, from 2:00 PM to 6:00 PM in Old Town Tustin, on Second to Third Street, in front of Chaak.

## 2. Is there parking available at the event?

Parking is street parking only. Attendees are responsible for securing their own parking, and availability may vary depending on the time of arrival. We recommend arriving early to find a spot.

**Pro Tip:** Due to parking limitations and the nature of the event, we encourage attendees to consider using Uber or Lyft.

## 3. Will there be food at the event?

Yes! You will enjoy culinary creations from top Mexican restaurants, including **Chaak, Gabbi's Mexican Kitchen, Socalo, Gema, Maizano, Alta Baja Market, and Tres Muchachos**.

**Note:** These are light bites, not full portions, designed to complement the wines being poured.

## 4. What wineries will be participating?

We are featuring 29 wineries from regions across Mexico, including Baja California, Coahuila, Zacatecas, Querétaro, Guanajuato, Aguascalientes, and San Luis Potosí. Winemakers and winery principals will be present to share their knowledge and passion for these exceptional wines. Want to see the full list?

## 5. Can I buy wines at the event?

This is a tasting-only event, so no wines will be available to take home directly from the event. However, each winery table will display a reference number for each wine. To purchase your favorite wine, take a photo and/or write down the number, then proceed to the "Alta Baja Market" stand, they will provide you with a price and an order form. Your purchased wines will be available for pickup at Alta Baja Market in Santa Ana.

Dress comfortably but stylishly! This is an outdoor event, so we recommend business casual attire with comfortable shoes for walking. Remember, the event is rain or shine, so be sure to check the weather forecast before heading out!
