Barrel	10 months. 60% French, 40% American oak. 80% 2nd use, 20% new oak.

*“A wine assembled from regional varietals, Merlot, Tempranillo, and Cabernet-Franc, where we can find violet medium body colors, it develops fruity and spicy aromas due to its aging process on French and American oak for just ten months. In mouth it’s a nice, smooth, and very well balanced wine capable of pairing with different dishes. The combination of red fruits and spices makes for a wonderful wine. Its finish will give in mouth a nice aftertaste.”*
