Barrel	60% French and 40% American oak barrel for 18 months, 80% 2 <sup>nd</sup> use, 20% new

*“Originally from Italy, the Baja California Nebbiolo vine has acclimated well in the region of San Jacinto, delegación de Santo Tomás, municipio de Ensenada, and produces grapes of excellent quality in tannins. Of corpulent character, fruity and spiced, its maturation in French and American oak help stand out its complexity in aromas and flavors. It pairs well with Mexican dishes, strong salsas and cheeses, and red meats.”*
