

Syrah 2017

100% Syrah

Cases produced: 330
12 months in American oak.
20% new oak

Francisco Zarco, Valle de Guadalupe
Single vineyard, 100% estate grown through organic practices

2017 presented a high yield year. Fruit shows smooth and well-integrated tannins and good acidity. Harvest was about a week earlier than our average harvest dates. 17 inches of total rain.

Solar Fortún is a family owned winery located in the northeastern part of Valle de Guadalupe; on the highest point of the valley at close to 1100 ft over sea level. The vineyard has mostly sandy soils and high winds which help the vines stay healthy and retain good levels of acidity and elegance.

Santiago Lopez is the winemaker in charge of Solar Fortún. UC Davis educated in winemaking, also a Penn state undergrad in engineering science. Santiago looks for elegance and balance in his wines, making sure not to over ripen, over extract or over oak his wines.
