Vinsur is a family owned and operated company formed in 2008 by our enologist Daniel Lonnberg Hume. Originally from Chile, Daniel is devoted to producing high quality boutique wines for Vinsur while simultaneously serving as the winemaking consultant for other top Baja wineries such as Adobe Guadalupe, Emeve, Hilo Negro and Hacienda Guadalupe.

Zinfandel (60%) from Guadalupe Valley
Petit Verdot (40%) from San Vicente Valley

Intense and radiant red dark color

1 year french oak

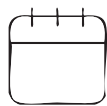

Floral notes with a hint of spice. Also present are aromas of rich red & dark fruits with a touch of warm oak vanilla

59 - 60° F / 15 -16° C

Smooth tannins and a mouth watering acidity contributes to the wines's balance as well as to its long and persistent finish

The Zinfandel is grown in heavier soil in which the clay contributes to the strong aromatic notes, a good acidity and good concentration. On the other hand, the Petit Verdot comes from terroir composed of mostly sand which in turn provides more fruit drive and floral aromatic notes

Pairs excellently with pastas, heavily condimented meals or desserts with dark berries. It also goes very well with mole (chocolate base)
