

Lágrimas San Vicente®

Sauvignon Blanc 2021

What would it be if people felt nothing and knew nothing about happiness, pleasure, sadness or pain? How could they express themselves? What would they know about life? Life is full of moments that provide different experiences to help us face the future... Moments that show us we are on the right path. Because we can learn anything and that is reason enough for a toast to what is to come.

Vineyards: Llano Colorado

Region: Valle de San Vicente, Baja California, Mexico

Vintage: 2021

Grape: Sauvignon Blanc

Serving Temperature: Between 10 and 12°C

Bottle Capacity: 750 ml
