Winery Review

Viñedo San Miguel is the biggest Winesellar in Guanajuato State, also we have the biggest vineyard in the region (52 Ha of our vineyards)

Dedicated to maintain the knowledge and focused on enhancing the experience to honor the legacy, Viñedo San Miguel stands out the artisan process and all the details, from the harvest to the storage process. From the very conception of the crop to the growth it carries the values of the **Cuadra Family**.

The experience and quality of the produce of our land has resulted in a family of wines that has been a whole revelation awarded for their excellence in the most prestigious contests due to the professionalism portrayed in all the techniques.

Toasting with a wine from Viñedo San Miguel is to drink **the elixir of the heart of Mexico**.
