ENTRELAZO

We allow each varietal that composes "Entrelazo" to stand out for its vibrancy in both aroma and flavor. Throughout the growing cycle, we ensure the vines receive abundant sunlight, contributing to greater ripeness, color, and tannin structure for our final blend.

TASTING NOTES

Brilliant and lively, with deep concentration. Cherry-red color.

Complex and expressive bouquet. Fruity and spicy, with ripe red berries, iodine, noble woods, and balsamic tobacco.

Fruity, full-bodied, and voluminous. Velvety texture with firm yet approachable tannins, fresh acidity, and a long, lingering presence.

PAIRING SUGGESTIONS

Red meats and game, grilled cuts, stews, barbecue and Mexican mole.
