TASTING NOTES

Clean and bright wine with deep concentration; intense cherry-red hue.

Fresh red fruit with vegetal notes, expressing a very Mexican Malbec with nuances of blueberry, pomegranate, and an appealing pyrazinic and floral touch of hibiscus. Well-integrated oak, hints of thyme, and a liqueur-like finish.

Fruity, expressive, and flavorful. Marked acidity, vegetal notes, and a long, persistent aftertaste.

PAIRING SUGGESTIONS

Grilled cuts, red meats, bone marrow, goat, rich and complex dishes. A versatile wine.
